## Your Order

How Many FLOWER buckets would you like?

*We cannot advise on the number you will need, please do refer to the information above for guidance*

Growers choice -

Specific colour palette -

*If choosing the specific colour palette Bulk Botanicals, please describe it here:*

How Many FOLIAGE buckets would you like?

What time & date will you collect your order?

*For reference: Flowers can be prepared for collection up to 3 days prior to an event*

Would you like us to reserve some straight bunches of seasonal flowers?

*Peonies, Roses, Lillies, Gladious, Dahlia, hydrangea are examples for focal flowers available over the course of the season. Please check the flowering calendar on the website to check which varieties are in-season for your events date.*

*Please also note that (despite asking multiple times) Mother Nature doesn't pay any attention to our calendar, so we cannot promise availability.*

*If the flowers are available we will contact you closer to your event date to enquire how many bunches you would like.*
